GREENWICH, CONNECTICUT 06831

October 23, 2000

Dear Ann.

I can't recall that we met during my time at PW, but that's not important. What is is the tragic news that your son died in an accident a short while ago.

Mrs. Zick and I know exactly what agony you must be going through. Our son died of acute leukemia

Several years ago, I really can't think of anything in my life that was as difficult to deal with. Depression was they're nothing.

We want you to know that you are in our thoughts and our prayers, we truly wish we could help in some way. Perhaps the words

to us from a dear friend will
help - "You'll never forget but the
pain will ease with time." As I
write this note I know the pain
is still there and the tears still
come, but the torrent has eased.
I wish the same for you, and
send you our deepest condolences.

Sincerely,
